OFFICIAL DECLARATION LETTER

Subject: Official Declaration of the Full Executive Committee of RPIAA-Rangpur for the term 2025–2027

Dear Respected Alumni Members and Stakeholders,

With due diligence and in accordance with the draft Constitution of the Rangpur Polytechnic Institute (**RPI Alumni Association (RPIAA)-Rangpur**), we, the undersigned members of the Declaration Committee, hereby formally declare the formation of the Full Executive Committee for the term **2025–2027. The following body has been formed to ensure representation, leadership, and development of our alumni association.

In RPIAA-Rangpur, positions and titles are simply part of the association’s management structure—nothing more. Here, we are all equal, united, and bonded as brothers. No role is seen as superior or inferior. These designations exist only to ensure smooth organization and coordination. At our core, we stand together—equal, respectful, and committed to working in unity, with honor as our shared foundation.

- **Senior Advisor** – Professor Dr. Abdus Salam, Dhaka University of Engineering & Technology.
